Kindly add various other amazing people and their fields.■■

I'll definitely keep updating this list and probably pin it later so its easier to find.
Please if the notification is getting too much, I'm sorry, kindly mute the conversation.

Contains more names now.
And the keyword is ”ACTIVE” people who will reply you when you ask questions, people that'll engage with your tweets.
And yeah I added a whole bunch of amazing Angular devs. ■■
Wait for it.
