#AllCargo
\U0001f3afGood accumulation from base bottom
\U0001f3af Pocket pivots and shakeout will give strength for breakout
\U0001f3af RS strength-81
\U0001f3af EPS strength-90
\U0001f3af Expecting more tightness near pivot point for entry@Accuracy_Invst @swing_ka_sultan @StocksNerd
