Monday, May 3 will be my last day at Basecamp. I\u2019m sad and I don't plan to talk about it publicly. Instead, I\u2019ll share one of the highlights of my time at Basecamp. I wrote this in answer to a check-in question soon after HEY was released.https://t.co/pManKC9jhz

Given the recent changes at Basecamp, I\u2019ve decided to leave my job as Head of Design.

I've helped design & build all of our products since 2011, and recently I\u2019ve been leading our design team too.

Will be looking for something new, so please reach out / RT. DMs open.
