For Weekend learning

Some knowledgeable tweets/threads by me...

I will keep adding to this thread over time

Starting with:

1. Option Synthetics Explained
2. Best free Data website - Icici Direct
3. Per order vs Per lot brokerage
4. Best youtube channel - Power of Stocks

A thread on Option Synthetics

1. Increase your returns
2. Margin requirements/costs are less
3. Save on STT/other charges
4. Develop a better understanding of options

Best free website to get Data from - ICICI DIRECT

Advantages:
1. Quantitative Analysis in one place
2. Easy to find stocks where action taking place
3. Find the exact price levels at which OI is being added.

PER ORDER Vs PER LOT brokerage

Which one is better?

Read the thread to know why one is clearly better than the other.
