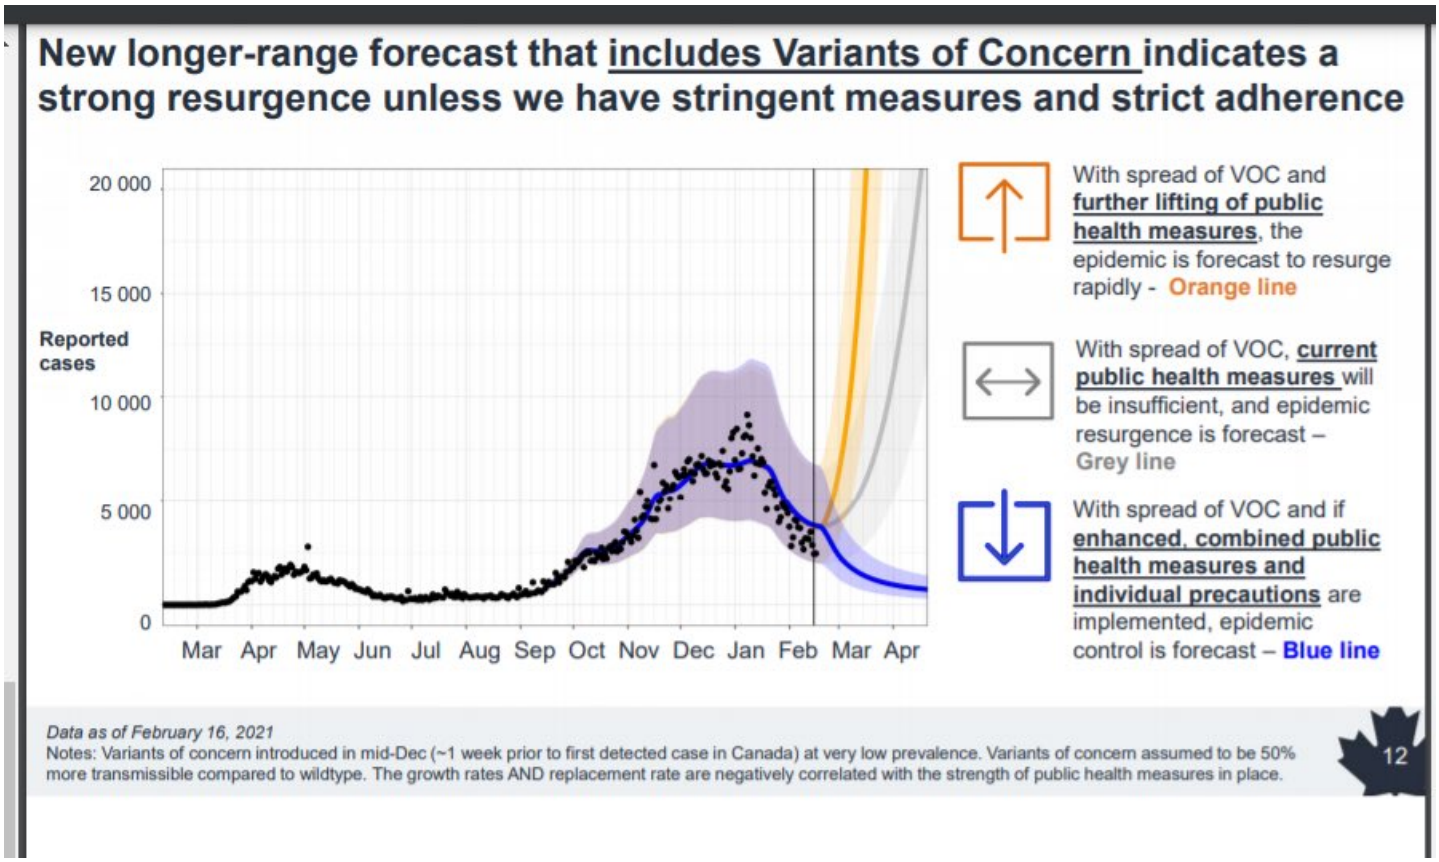
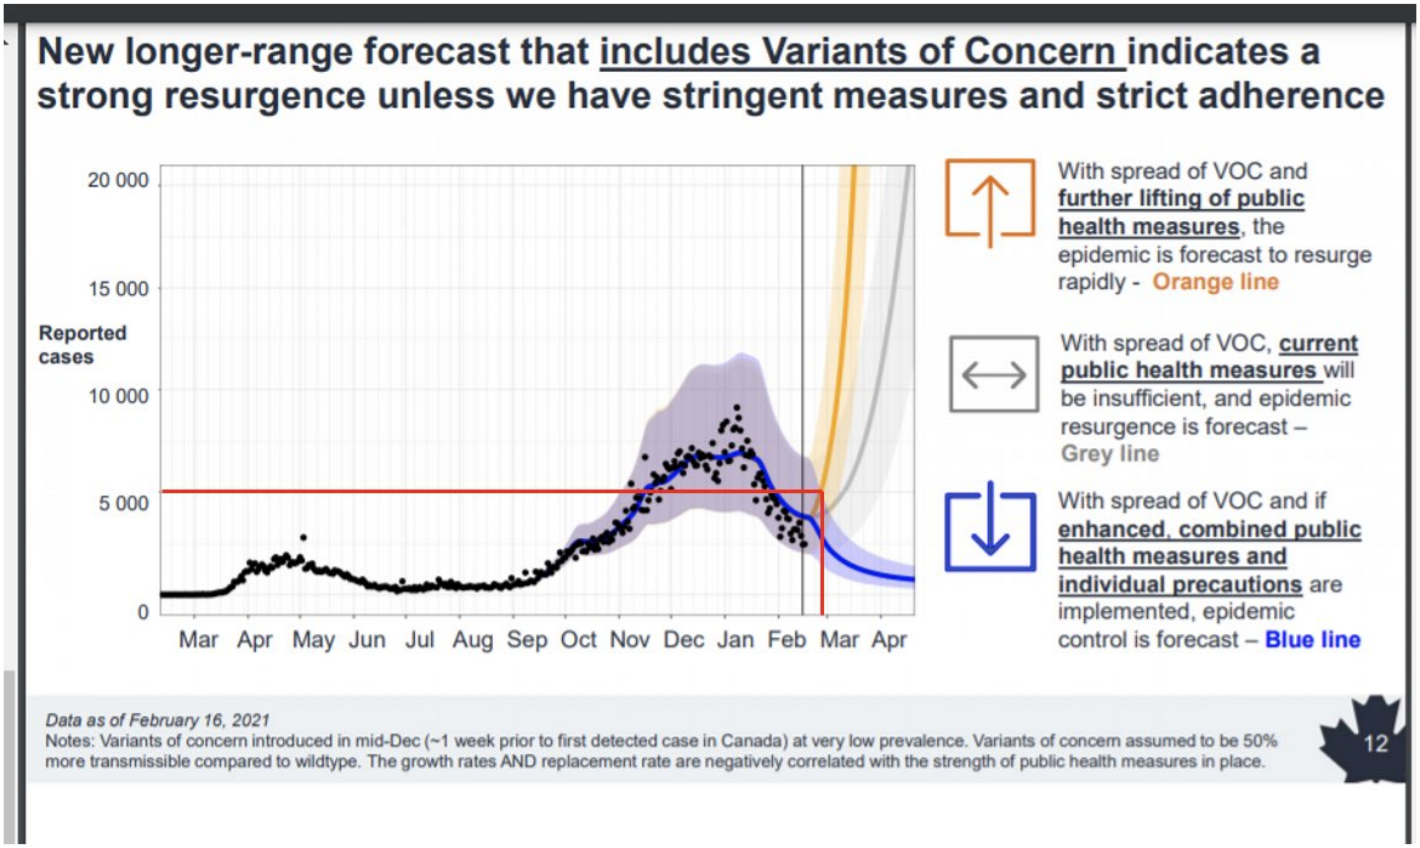
Last week, Dr. Theresa Tam @CPHO_Canada & the Ontario Scientology table released their latest model that garnered criticism, ridicule, & shame at an international level. The now famous Covid Erection had risen ■■

#Canada #Ontario #cdnpoli #onpoli #COVID19



The Covid Erection model predicted ~5000 cases by the end of February. Well, now that we're at February's end, Ontario recorded ~1250 cases. It would seem that the Covid Erection encountered some...ahem, erectile dysfunction ■

#Canada #Ontario #cdnpoli #onpoli



Since the Covid Erection model had become flaccid, Dr. Tam @CPHO_Canada needed another story to continue the propaganda of fear; public health by dread & distress. So she came out today to say that Canada was experiencing 75X more cases than the spring peak

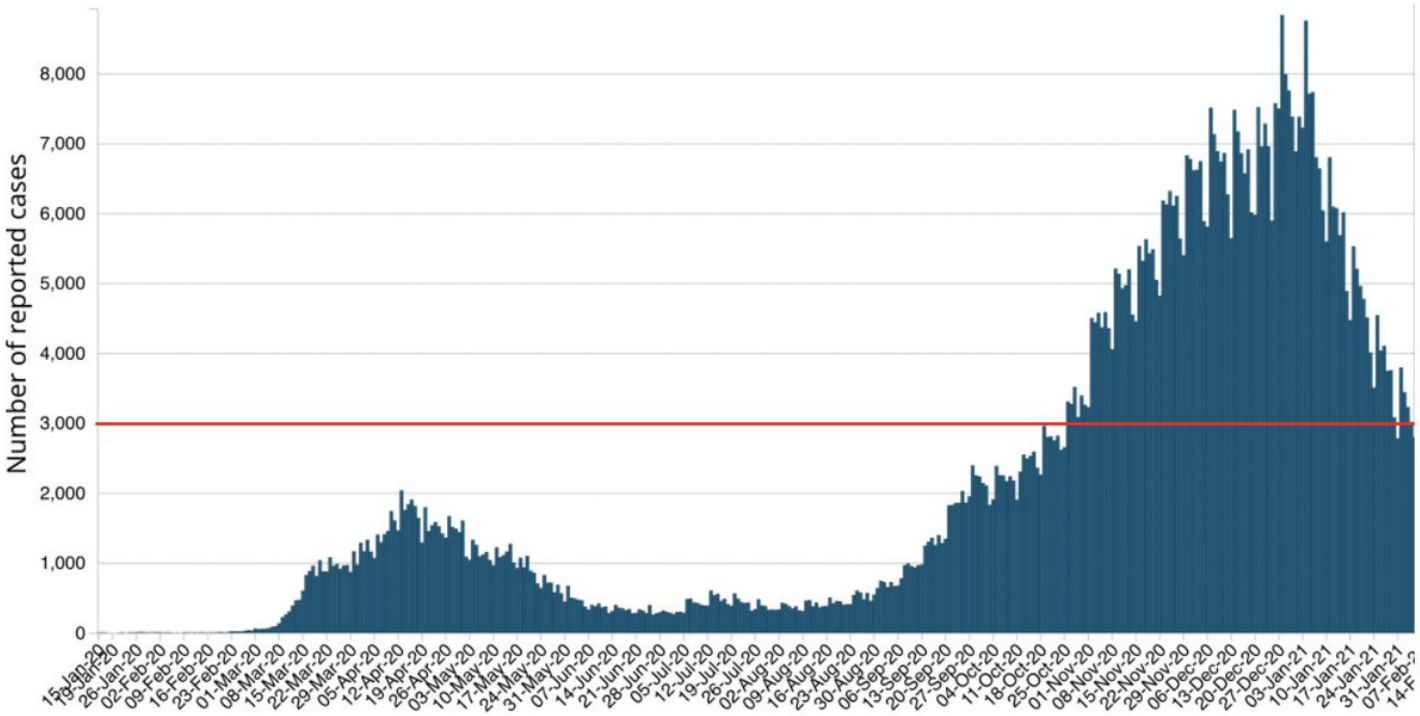
Canada's chief public health officer says the daily COVID-19 case counts are nearly 75 times higher than they were at the peak of the first wave of the pandemic last spring. bit.ly/3dQ7xz6

1:24 PM · 2021-02-26 · Salesforce - Social Studio

The spring peak in Canada had ~2000 cases. Today, Canada reported ~3000 cases. That would be 1.5X more cases, not 75X. Dr. Tam @CPHO_Canada just inflated the case counts by only 50X, or what we call here in Canada, by a Fisman

#Canada #cdnpoli #Ontario #onpoli #COVID19



Canada (& Ontario's) public health officials & politicians have thoroughly embarrassed the discipline of public health & made mockery of the field of medicine. From the MDs fake crying in the news to the high school teachers pretending to be biostatisticians. We've become a joke.
