In last 10 years there have been 3 upswings in the stock.. if you could use your capital efficiently you would ride most of these upswings and use your capital elsewhere at other times.

Not letting your capital rot is a gainful activity. https://t.co/iYo2SIEPVX

whats cooking in HGS ??

Are Hindujas offloading to put more into Indus ?? What's the buzz... the move seems as a precursor to a big news

just a guess..not a reco
