Tata Elxsi @ 500 - Gann theorist (Target: 250)
@ 900 - Auto sector slowdown
@ 1500 - overvalued
@ 2500 - PE is extremely high
@ 3500 - other options avaialble
@ 4500 - market is insane

Heading to 5000 - will hear the new narrative.

The market is an interesting place to watch.
