Oh dear @Bruceps I expected better from you. Surgeons don't wear masks to protect against VIRUSES. It's mainly to protect themselves from blood spatter ■

A paper released a few days ago by the Association of American Physicians and Surgeons says masks have near zero efficiency in protecting you against Covid.
https://t.co/J5SMAUUeEW

And here are 64 published studies all saying masks do not halt viruses https://t.co/zdnE7yL5hf
