Christians have known this was coming. But we must ask ourselves:
1. What is Satan's ultimate goal? His goal besides enslaving mankind, is to sit in God's temple on earth
Where is God's Temple on earth? Hint: It's not in Jerusalem.
2. How will he accomplish this goal?

> If you want to know how deep this Cabal thing runs,how it started and where it's headed,start here.Mind blown.We've been infiltrated at the core, they've covered every post, there's nearly no stopping what's coming. We know that God has a temple in heaven by reading Revelation 11:19
And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail.

And we know there is no temple in the New Heaven & earth Rev 21:22-23
I did not see a temple in the city, because the Lord God Almighty & the Lamb are its temple. The city does not need the sun or moon to shine on it, for the glory of God gives it light, and the Lamb is its lamp

So where is the Temple Satan wants to sit in?
1 Corinthians 3:16 tells us
“Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?”

So how does Satan sit in YOU? How does he control you? How does he accomplish controlling the whole world; every living human on this planet?

Imagine if there was technology to accomplish this
Something Satan could trick people into taking that once taken would be the only way people could buy or sell? A time where they would own nothing and be happy about it? Where they had no control

Satan is so deceptive that he has devised a way to make people want this technology! He has attacked them, made them fearful & anxious; afraid they will die

What is this technology that meets these requirements?
It is the Quantum Dot MicroNeedle Array Covid Vaccine

I believe the current vaccine is
To kill off the "useless eaters" (that's what the elite call us
A big experiment on those that live
and that they will NEVER tell us what's really in the vaccine
Already we are hearing about cold chain logistical problems with the current vaccine

And there will be problems with the Vaccine ID cards
The Quantum Dot MicroNeedle Array vaccine using Luciferase technology along with HR 060606, will solve these problems & meet the criteria for the Mark of the Beast

There is more info in this short PDF document. I encourage you to save this document & when they start giving the Quantum Dot MicroNeedle Array Luciferase Vaccine, that you share it far and wide with your loved ones
