@mhbx

I have pondered how to respond to you and this thread of yours. And the understandable inability of you to actually engage a discussion.
I suppose it becomes more clear with this post.

You are not trying to solve the questions, but advocating a broken, albeit powerful,

@tommy_pane 2/ "conspiracy" that has a baseless response to every single fact... "The MSM is doing fake news".
Which has the patina of "truth", which has a few examples that might be trotted out to "prove the point".
But in the constant reciting of the Trumpian catechism, fails to realize,
