@PVNNarayanan And the benchmarks set by the Modi Government in 2014 and the impetus in the continuity besides adding new goals to bring further #EaseIfLiving, and establishing an environment of participation with competition and equal opportunities for all has unnerved the Cong led Opposition.

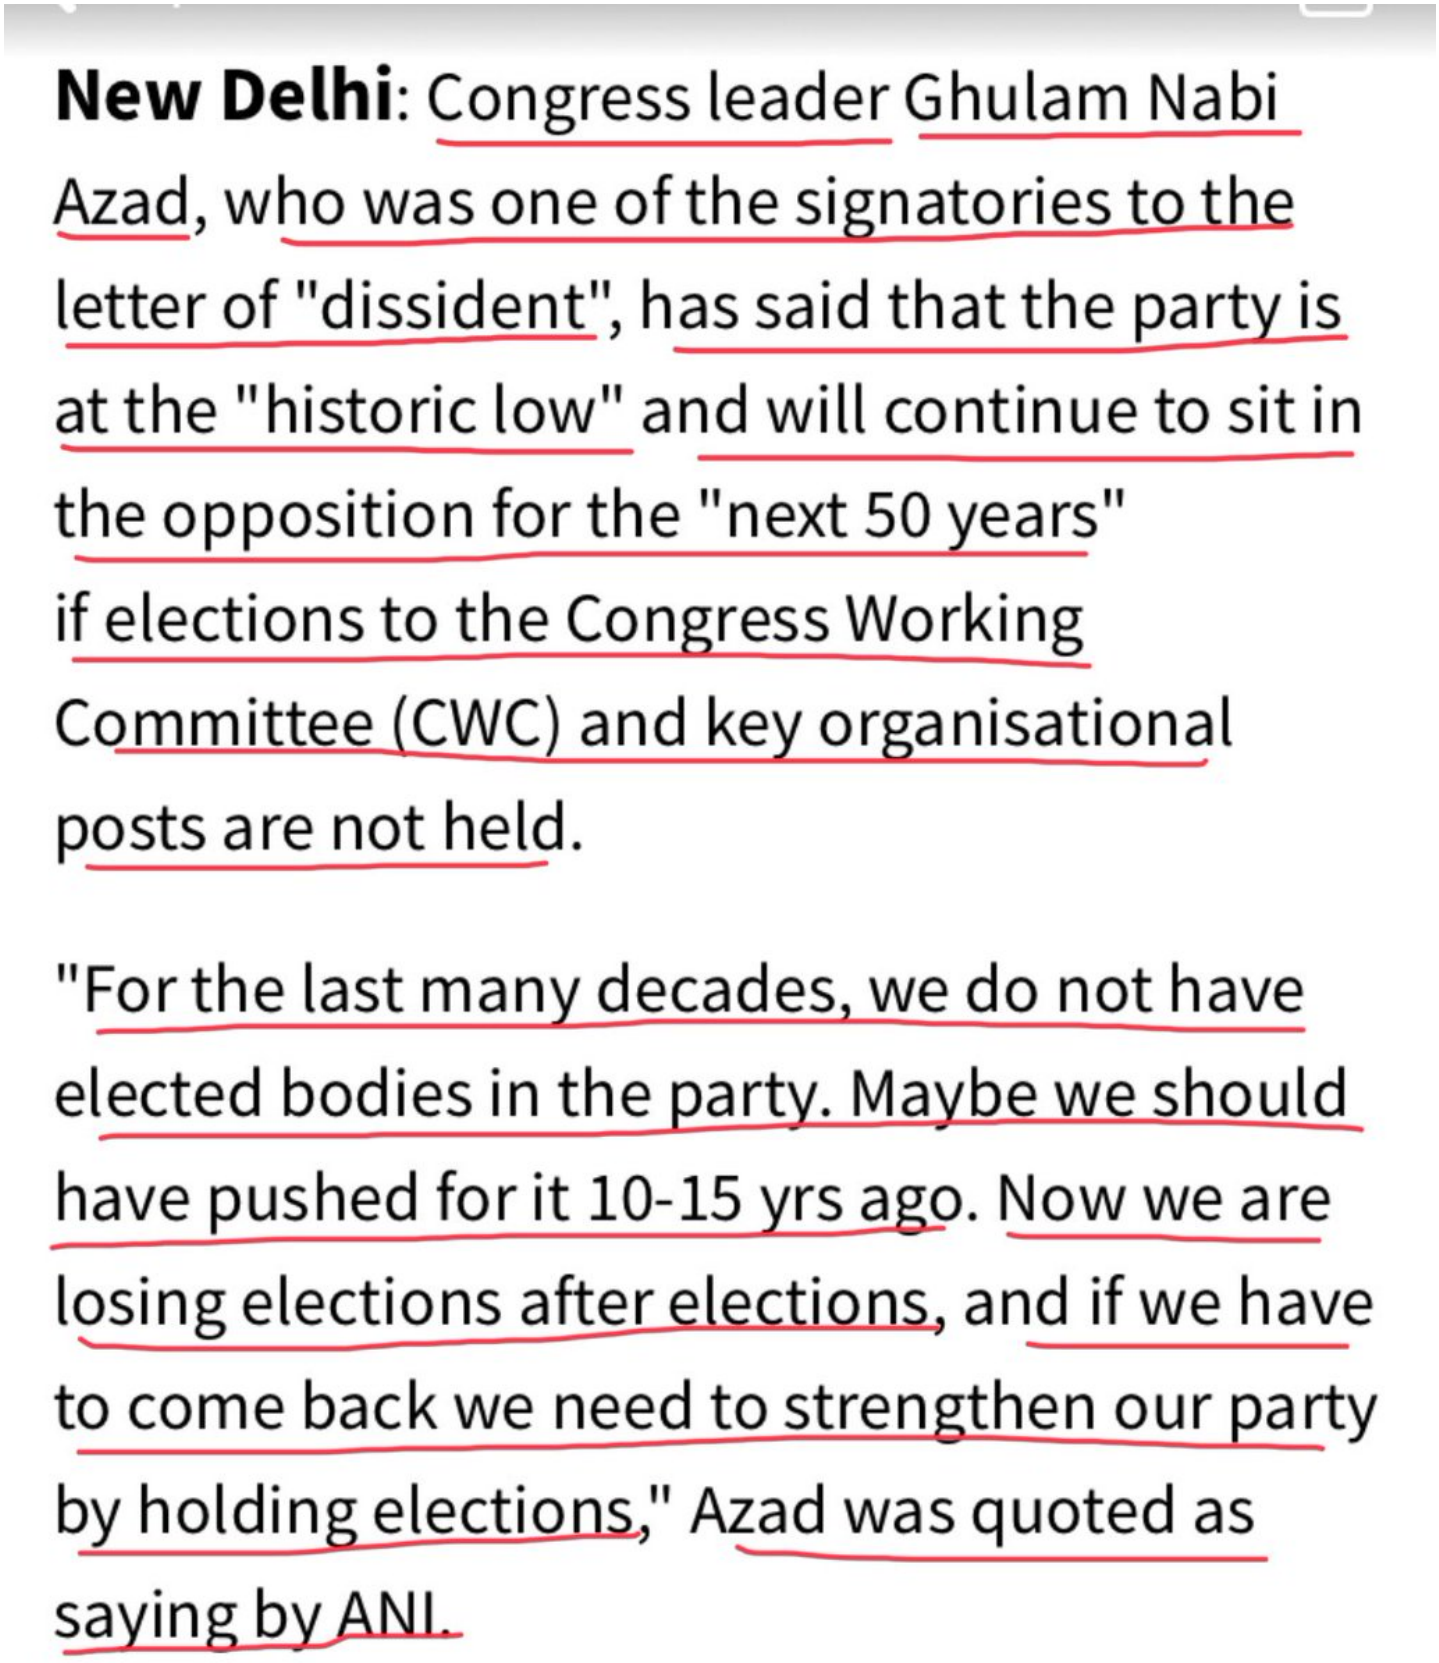
@chittukuruvi4 @PVNNarayanan The pace and size of development and progress what India could not dream of before 2014 under such a prolonged Congress rule of decades and decades, became visible with efforts fructifying in 2014 to 2019 period. Add to it undoing of historical aberrations and blunders septic.

@chittukuruvi4 @PVNNarayanan Are not these reasons enough for d discredited & desperate @INCIndia & its appendages to shepherd d herd in organising protests to camouflage its own failures ? What else can one expect from stooges of a Dynasty, than 2create impediments, humps & obstacles through misinformation.

@chittukuruvi4 @PVNNarayanan @INCIndia Continuity of Modi Government in 2019 and booting out Congress permanently from the Centre also ensured closing of doors and windows for corruption by Congress & its crutches Communists. And more we see the reason of frustration in d disgruntled lot engaging in immoral protests.

@chittukuruvi4 @PVNNarayanan @INCIndia Memories short, no Congressman of self pride and with interests of the party “ideals and ideology” close to his heart talking about change of leadership and holding of elections for election of Party President ! All that has got buried in the dust of #FarmersProtest manicured !

@chittukuruvi4 @PVNNarayanan @INCIndia “Letter of dissent” signed by 23, with Ghulam N Azad as one of d signatories had painted the picture of Congress Party at the “historic low”, and here shepherding the #FarmersProtest from behind infuses a new life to Antonio Pariwar with an additional coat of winter care lotion.



New Delhi: Congress leader Ghulam Nabi Azad, who was one of the signatories to the letter of "dissident", has said that the party is at the "historic low" and will continue to sit in the opposition for the "next 50 years" if elections to the Congress Working Committee (CWC) and key organisational posts are not held.

"For the last many decades, we do not have elected bodies in the party. Maybe we should have pushed for it 10-15 yrs ago. Now we are losing elections after elections, and if we have to come back we need to strengthen our party by holding elections," Azad was quoted as saying by ANI.

@chittukuruvi4 @PVNNarayanan @INCIndia And there we see in the West, Uddhav bracing up to muzzle the media and the men who raise their voice against his misdeeds and illicit acts, as Mamata in the East ensures to trample upon all forms of dissent inside or outside TMC. The two work in tandem like two hands of Antonio.

@chittukuruvi4 @PVNNarayanan @INCIndia All the moments of good laugh for Congress Party with the Queen ventilating pollution free air of serene and calm Goa while #FarmersProtest with masked Naxals venting their anger against a Party In Governance which mustered courage to bring succour to farmers through #FarmLaws.

@chittukuruvi4 @PVNNarayanan @INCIndia Under d circumstances d engagement of Modi Government in bringing reforms at regular intervals & particularly #AgriReforms to change d destiny of farmers was presented as a humdrum activity, lackadaisical in nature with no pomp show, while the Opposition made farmers smell d rat.

@chittukuruvi4 @PVNNarayanan @INCIndia And d Opposition lost no time in spreading a superficial & synthetic smell of the rat, the rat that did not exist. Here d think tanks of Modi Government lacked the exuberance and will to preempt d spread of rotten odour by disruptive & deranged Opposition in creating a rebellion.

@chittukuruvi4 @PVNNarayanan @INCIndia I know for sure had @BJP4India organised such farmers' rallies a month or two earlier in support of d #FarmLaws, d Opposition would have called it as insane act in spreading of pandemic #Covid19, but today super-spreaders are on rampage as #FarmersProtest & hold nation to siege.
