### **MAJOR BREAKING NEWS: Kremlin "Intermediary" George Papadopoulos Alleges President Trump Lied About Never Having Met With Him After March 2016; September 2016 Meeting Occurred After Trump Knew of Russian Attacks**

By the time I introduced Donald Trump to the Egyptian president in September 2016, a politically motivated surveillance operation by at least the UK and Australia was targeted at me and the campaign for seven months. Who authorized that? Congress has the answers.

— George Papadopoulos (@GeorgePapa19) October 7, 2018

2/ Trump's legal duty under the federal aiding and abetting statute not to do anything that might induce further Russian attacks was officially triggered on August 17, 2016, at his first classified briefing. Why was he meeting with a "Kremlin intermediary" weeks after this date?
