1. Beloved Friends!

'Let Not Your Heart Be Troubled, Neither Let It Be Afraid.' As The Darkness Ramps Up, The Light Overtakes! This Planet Is In Chaos, But You Are More Than Prepared! The Reason For This Is Your Sacred Soul!

2. All That You See And Hear Will Be Gone In A Flash, But YOU, Beloved One, Are Infinite!

The Arrival Into Paradise Is Not Achieved By Death, For There Is No Death! There Is Only Change In Frequency And Expanded Consciousness!

3. In One Moment, You Will Remember All, As The Matrix Of Lies Falls Away! You Are Free Now, But The Unseen Workers Of Iniquity Are Busy In Clone Production And Puppets! Remember That All Puppets Have A Master. If A Clone Is Manufactured, The Master Is A Handler!

4. Indeed, These Moments Are Strange To A Human With Identity, But Your Soul Knows All That Is Transpiring. Live As Much As Possible As The Awareness Of It All. Be Your Soul. Nothing Can Harm Your Soul!

5. Allow Emotions To Flow When Needed, To Avoid Blockage Or Illness. Breathe In Deeply Through Your Nose, Hold For A Few Seconds, Exhale Slowly With Pursed Lips. Repeat Throughout Moments Of Anxiety. This Too Shall Pass!

6. These Moments Are Marked By Radical Reversals In The Patterns That Have Been Established In All Areas Of Your Waking Dream. As One Begins To Grasp The Ramifications Of The Concept Of Self-Empowerment As It Relates To The Creation Of One's Reality, Change Is Near!

7. These Moments That You Share Are Also Very Sacred! For You Are Understanding That Taking Action Peacefully As MANY, The Grand Unity Is Of ONE.

8. Remember, You Are The Essence Of Your Divine Creator! The Angelic Realm Walks Beside You! Friends From High Densities Are Not Only In Crafts Above You, But On The Ground To Assist!

'If God Be For You, Who Can Be Against You?'
INDEED!

EN EEKE MAI EA!
I Love You So!
