Since it’s been 18 hours since this author highlighted by both @GenFlynn and @SidneyPowell1 posted this thread, I assume everybody has seen it?

> NEW: US election data was forwarded from Frankfurt, Germany to Rome, Italy where the man pictured below partnered with members of MI6, the CIA, & the Italian defense-contractor, Leonardo, led the operation & built the algorithms that were used to manipulate US election data.\U0001f53b pic.twitter.com/m4GtoONps6
