#Saregama #Watchlist

~ Strong growth seen overpast year - more than 100% rise in FY21 EPS compared to FY20

~ No of funds holding the stock has risen sharply

~ Stock has had a stupendous run since Covid lows of 181 - near 20x moves

~ Forming a base for 6 wks with pivot at 3600

#Saregama #Watchlist

~ Transformed into a double bottom base

~ Would like to see some consolidation around pivot of 3600 before a breakout
