THE NOTICEABLE SIGNS OBSERVED ON IMPENDING DEATH(■■■■■■ ■■ ■■■■■ ■■ ■■■■■)

As per "Skanda Puran", "Kartikeya" had narrated to "Muni Agastya" about the signs of the coming death.

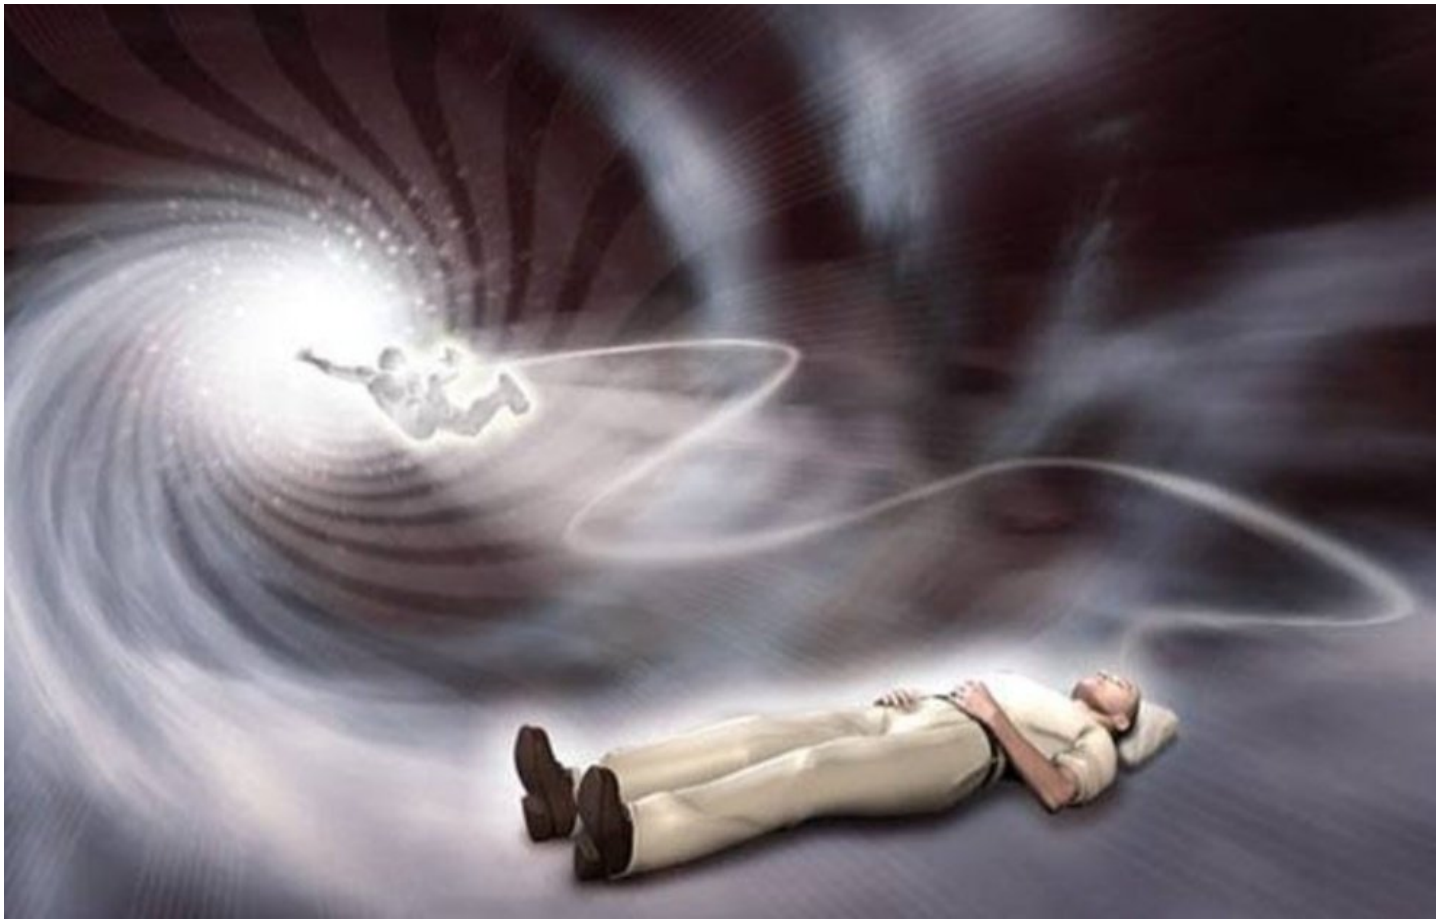
This is as per this ancient scripture.

1. If one experiences the air coming out of right nostril continuously then it is observed that the person dies within 3 years.

2. If the breathing is continuous towards upper side from both the nostrils, then the person can die within 2-3 days.

3. If the breathing is through the mouth instead of the nostrils then the person may live only for 2 days.
The person should take into coignance these signs of the occurance of any sudden death.

4. As per astrology when the Surya is in the seventh house and



Chandrama is in its own house and the breathing is only through the right nostril then the danger exists.

5. If you see a yellow black coloured figure who becomes invisible immediately then the life span is limited to two years.

6. If any person sneezes, passes urine, stool and semen all together he has only a year more to live.

7. If a person sees blue coloured snakes flying in the sky then he has only six more months to live.

8. If a person sees any thing opposite to its real self like colours or taste in the mouth seems opposite to actually what one is really experiencing then death is after 6 months.

9. If the body becomes dry even after bathing immediately then the person will be alive 3 months.

10. If a person does not see his head part in a mirror or water etc will mean that the person has only a month.

11. If one's intellect gets muffled, has unclear speech, sees a rainbow in night ,observes two moons and Sun instead of one, then the death is only a month away.

12. If one covers the ears with hands and no sound can be heard, if a healthy person goes on loosing weight, the death is coming in a month.

13 If a person sees demons, ghosts, crow, dogs, vultures, fox, donkeys and pigs in his dream then the life is not more than a year.

14 if a person dreams about flowers adorning him, red clothes on his body then the person will face death in eight months.

15. If a person observes dust covered body or white ants infested house or riding a donkey facing southwards he may live only for six months.

16. If a person sees his head shaved or sitting on a donkey facing southwards, he may die in six months.

17.If a person dreams that he is covered in wood then he has only 6 months.

18. If a person dreams of a person with a iron rod and wearing black then he is alive for 3 yrs.

19. If a person dreams of a evil woman hugging a man then the life is only for month. If a person dreams of riding a monkey facing east direction then he has only 5 more days.

20. If a miser becomes generous suddenly and a generous person becomes miser, his death is nearby

One must go to Kashi and follow Yog in shelter of Mahadev.
Only Mahadev can stop impeding death.
