#TATASTLBSL Weekly Update
Once again, approaching towards the zone of 98.35-101.05
A break-through would be a bullish indicative towards a new 52-week high.

#TATASTLBSL Weekly
Sustenance above 98.35 and a break-through at 101.05 will bring in a new 52-week high. #StockMarket #StocksToWatch #Metals pic.twitter.com/W5G6OeqQB9
