Look at this case no RC-05/2012/NIA/DLI of NIA.

According to it Khalsa Aid was providing fund to terrorist organization Babar Khalsa International (BTI)

Same organization is providing all support at ground level in Farmer protest! But case is still under investigation.

Case No

RC-05/2012/NIA/DLI

Case Title

Activities of Babbar Khalsa International (BKI)

Date of Registration : 28/08/2012

As per Government of India, Ministry of Home affairs Order Number: 11011/46/2012- IS.IV dated 22/08/2012, National Investigation Agency (NIA) registered and took over the investigation of Case No. RC 05/12/NIA/DLI at NIA Police Station, New Delhi under section 121, 121 (A), of IPC and 17,18,38,39,40 of UA (P) Act .

Summary of Allegations

On the allegation that Punjab based BKI operatives are receiving money from UK based BKI operatives (viz. Balbir Singh Bains, Joga Singh) and its front organizations, including but not limited to, Sikh Organisation for Prisoner Welfare (SoPW), Akhand Kirtanee Jatha (AKJ) and Khalsa Aid, to commit terrorist acts in India, with the active support of Pakistan based BKI leaders (Wadhwa Singh, Jagtar Singh Tara). Further, Intelligence suggested that the money is being distributed to sleeper cells, jailed terrorists and the families of the terrorists in Punjab.

Present Status of Investigation

The case is presently under investigation.

NIA has been unable to probe in this case because UK is not supporting.

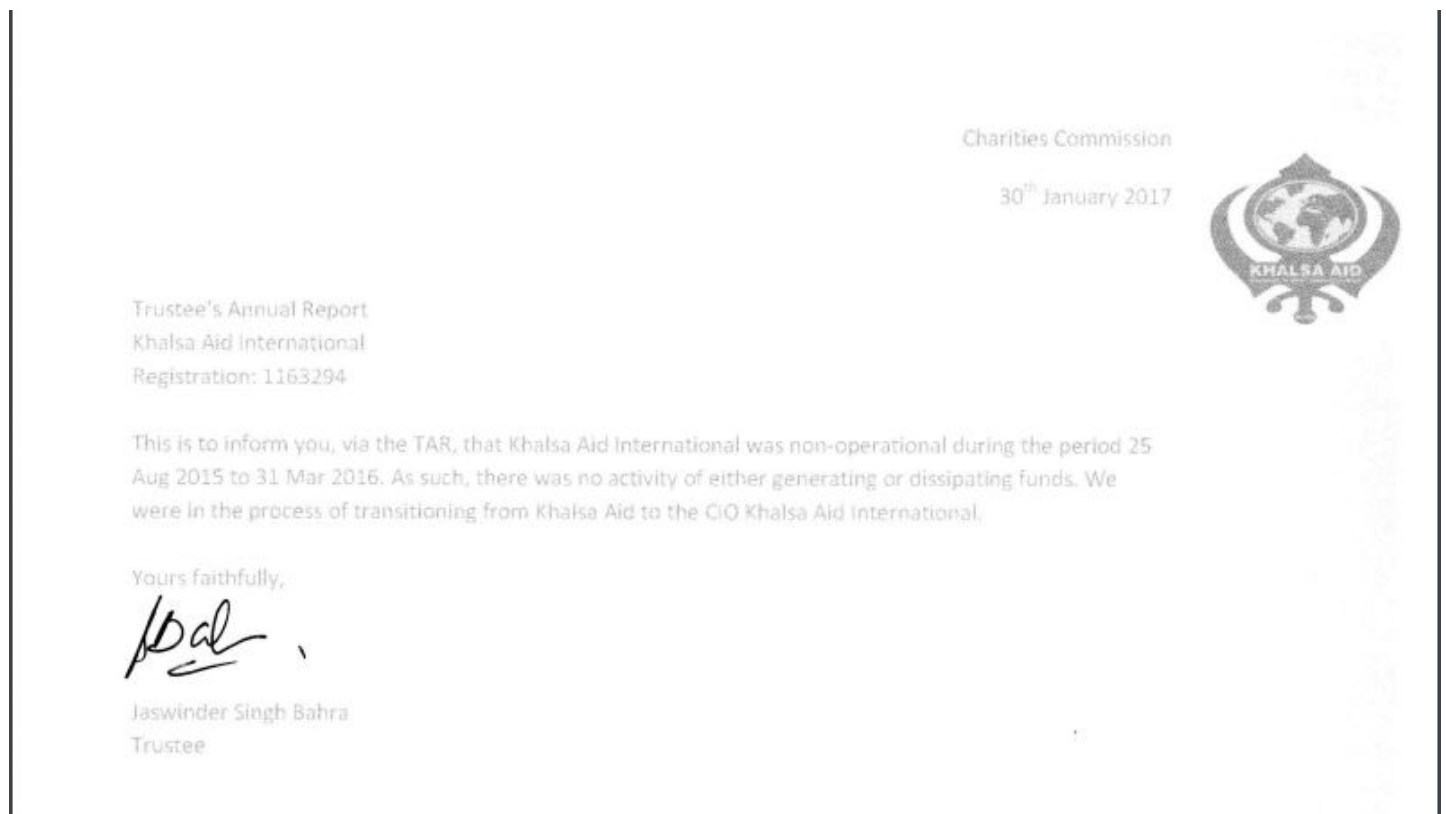

India has been unable to complete its investigation into a terrorist funding case related to the Babbar Khalsa International (BKI) for the past one-and-a-half years because the United Kingdom has refused to share evidence on the accused based in the UK.

The UK, which has abolished the death penalty, has demanded that India must first give an undertaking on not imposing the death penalty on the accused.

The case gains importance in the light of the recommendation of the Law Commission of India that the death penalty should be retained only for terrorism-related cases in India.

The problem is that 140 countries, including the ones in Europe, have either abolished the death penalty or placed a temporary prohibition on it.

Due to this case on them, they have transfer it to 'Khalsa Aid International' from 'Khalsa Aid'

Now Just look at how much fund they have in 'White' till March 2019.

Just Convert into INR!!

And imagine how much they may have been in 'Black'!

Sikh leadership should NOT be attending ceremony to lay foundation of Ram Mandir in UP! A 500 year old mosque was illegally destroyed at same place in 1992 by right wing Indian groups, many innocent Muslims were killed. We respect all faiths but never such destructive ideology!

They have also supported #CAA Protest and served tea to students of Jamia Millia Islamia university during Delhi Protest.

So they have clear agenda which we can see easily.

Now Question is that how an organization can run when they have already case pending with NIA on charges of terrorism?

There is so much to expose about this organization but it is not possible to write in a thread.

Now please let this thread reach to everyone so everyone can see the reality of this so cold humanitarian Organization!

And yes cartel of singers is promoting them heavily as per their planning.
