@chartians

Took me 5 years to get the best Chartink scanners for Stock Market, but you'll get it in 5 mminutes here ■

Do Share the above tweet ■

These are going to be very simple yet effective pure price action based scanners, no fancy indicators nothing - hope you liked it.

<https://t.co/JU0MJlbpRV>

52 Week High

One of the classic scanners very you will get strong stocks to Bet on.

<https://t.co/V69th0jwBr>

Hourly Breakout

This scanner will give you short term bet breakouts like hourly or 2Hr breakout

Volume shocker

Volume spurt in a stock with massive X times volumes

<https://t.co/SQDNDDeJxgW>

Nr4/Nr7/IB

Range stocks that are about to burst

<https://t.co/XIQ1pmdNIO>

Consolidation near 200MA

Range breakouts that can practically give good move and change to bullish stock above 200MA

<https://t.co/9Grhvlrye1>

Hope you like these.

We will do the execution part on our TG - <https://t.co/Mik9dqyO4E>
