Topic: Where to start learning about trading?

(@Pathik_Trader)

https://t.co/eSua0iffIY

Thread for Novice traders.

Many people asks from where do i start learning about trading?

1. Start from learning candlestick pattern.

2. Learn theories behind how demand and supply works.

3. Learn how support and resistance works.

How you can filter stocks for Intraday trades - \U0001f9f5

As a kid, we would do homework before school the next day - you have to do homework here too. A specific sector performs on a particular day and studying things a day before will help you spot that particular sector. (1/11)

A THREAD

Topic: HOW TO TRADE IN RISING PREMIUMS SCENARIO

Option sellers specially Straddle sellers feel that rising premiums give them excellent opportunity to make easy money. So what they are seeing is the theta aspect of options & ignoring the delta/gamma/vega forces.
