I adopt an appropriate amount of Patience as a balance between fear and greed.
.
I maintain the required patience to attain my entry and exit
.
#trading #affirmations

3. Trust

I trust and follow my signals unquestionably for entry and exit.
.
I trust my setup and the process adopted to trade.

#trading #affirmations

4. Anticipation

I do not trade in anticipation of a change in trend before it signals.
.
I remain in the present while I day trade.

#trading #affirmations

5. Discipline

Discipline within is to know where to stop and stick to the decision.

I am disciplined with my process.

#trading #affirmations

6. Mechanically

I consistently earn every day by entering and exiting a trade purely as a mechanical exercise.

#trading #affirmations

7. Living in a Trend

I live with the trend.
I remain with the trend.
I flow with the trend.
I live with the flowing energies of the trend.

#trading #affirmations

8. Nature is Supreme

I do not try to beat the market or be offensive to it.

The market’s price movement is supreme.

#trading #affirmations

9. Brain

My brain is programmed to generate earnings every day.

#trading #affirmations

10. Rewiring Consciousness

I am deleting past old loss-making recorded actions with new transformational trade executions; thereby creating new profit-making coded recordings and rewiring new synapses.

#trading #affirmations

11. Tested Concept

I stick to my tested and trusted concept through market hours.

I believe in the concept I follow.

#trading #affirmations

12. Profit Target

My profit target is to earn @ above 23.6% of my day's opening limit.

I strive to achieve my targets and work towards profits.

#trading #affirmations

13. Exits

I leave it to the system signals to intimate me to exit, and profit optimally from the trade.

#trading #affirmations

My Earning from Good Trading comes from serenity of mind.

#trading #affirmations

21. Must Achieve

I know well that a ‘Must Achieve’ attitude is not everything. I may risk money chasing achievement.

#trading #affirmations

22. Stop Loss

I ensure my stop loss is never hit.
I ensure my stop loss is placed safely far away.

I Enter & Exit accordingly.

#trading #affirmations

23. Fear

I exit on instinct even before fear grips me.

However if in fear, I intend to act rationally using my exit process.

#trading #affirmations

24. Hope

I hope that things will fall in place and I would exit unhurt.

But I be judicious about hope. If need be I exit.

With money, I do adopt the no-waiting in hope policy.
