1/ If you’re still having trouble red-pilling people on the fact that Extra-Terrestrials are living among us, give them this report by Capt. Mark Richards of the secret space …

2/ program to read, followed by these 12 videos of an investigative journalist’s reports of interviews with Capt. Richards, who led the attack/rescue mission on the Dulce DUMB in New Mexico in 1979. Capt. Richards was framed ...■

3/ and convicted of murder and given life without parole to stop his revealing the truth about ETs on Earth:
