New thread, replacing my earlier one, and this will now get pinned in my TL. Will also present this as a Tamil thread.

#CopycatChristianity

I will acknowledge "my" source. Please pardon me if the original source is you - let me know & I will acknowledge you too

[illegible]

#CopycatChristianity

This thread will list out all that Christianity has subsumed within itself

[illegible]

#CopycatChristianity

I will group them in lists as convenient

[illegible]

#CopycatChristianity

Christianity (X) is a religion of appropriation (ROA), and this thread will demonstrate that it isn't a religion of love (ROL)

[redacted]

#CopycatChristianity

It subsumes within itself all practises and beliefs of the natives as its own & attempts to prove that it is an original!

[redacted]

#CopycatChristianity

The ROA has, in India, subsumed under itself, the following and more - listed in the upcoming tweets:

(a) Sabarimala Attire & Practises
(b) Scriptures - Vedas & Upanishads
(c) Kanda Sashti Kavacham
(d) Rudraksham

Sabarimala Attire - have a close look at these folks - appear dressed for Sabarimala, right? No - they are X-adherents out to fool Hindus as if they are their brethren.
