**1. There is a fire of anger in my eyes
Which has turned my eyes into red.
Like a spark of fire explodes and spread every where
My anger spill on the face of those
Who come to my kitchen.**

2. Whoever comes in contact with me
They are roasted as like by live wire
Words come out of my mouth
Like arrows to pierce.

3. Goddesses Kamakshi
When I come into Thine Temple
And Aarati is shown
The beauty of your Smile
Is refelected throughout your creation.
The eyes radiate with grace and blessings.
All my anger vanish into air.

4. My eyes are fixed on cooling Moon.
Bless me to be at your feet
So that others' heart don't bleed
Due to my anger and greed.

Wishing you all a Happy Navrathri■■■
