I wanted to have this as my pinned tweet but not with that many typos... ■
Please add any resource, article, peer reviewed paper you came across while you "educated yourself" on the subject.

Also, in case you believe none of this matters because the trans rights lobby does not want to diminish women's rights, look at this:

And believe ppl when they tell you who they are.

E.G. 2014, US murder rates per 100K of each pop.:
1.5 - all trans
2.0 - all females
4.5 - all US
7.1 - all males
13.3 - all black people
23.8 - black males

204.0 - prostitutes (!!!)
