Today Thirunakshatram Kulashekara Azhwar ■

He is the amsam of lords Kausthubha and was born in the month of masi in punarvasu.

He rendered a prabhandham called Perumal Thirumozhi -105 pasurams.

In thiruvanjikalam the capital city of chera Nadu, the king dhrudavradhan and his queen worshipped their favourite deity.

With the blessings of Narayana their prayers were answered and the queen delivered a child on the suklapaksha dwadesi, punarpoosa nakshathiram, masi month.

Realising the entire kingdom was blessed by the birth of this child, the happy parents named him Kulasekaran.

Great love for Narayana Kulasekaran lost interest in ruling his kingdom. so he made his son Dridavratam the king of the land and went on pilgrimages ,Yatra to various Divya desams like srirangam, thirumalai,thirukannapuram,thiruchitrakoodam to have divine dharshan of perumal.

In the song he composed for Thirumalai Tiruvenkatamudaiyan....

ChediyAya valvinaigal thirukkum thirumaie
Nediyanae vengkatava !Nin Koyilin vachal
adiyarum vanavarum arambaiyarum kidanthiyanngum
Padiyayk kidanthu un pavala vayk kannbene

He says he wishes to be a stepping stone in front of the sannidhi.Just as he desired even today the stepping stone in the garbagriha is called Kulasekaran Padi.

After having visited, prayed and offered his services to various temples, Azhwar finally reached Mannarkoil in Tirunelveli District, Southern TamilNadu, which is near Ambasamuthram. In this temple, the deity is in three states, namely, Standing, Sitting and Inclining positions.

Azhwar had many rounds of wonderful dharsan and he was happy. He also reached the lotus feet of Paramathma from here. There is a separate shrine in this temple for Azhwar■■■
