10 Ways To Improve Your Communication Skill

// A THREAD //

Communication skill is the most underrated skill of today which if you know well, you can win the world and if you don't you might not win a single person heart.

Here are some ways to improve your communication skills.

1) Give compliment

"If you want to gather honey, don't kick over the beehive"

You can only get what you want from other to do for you is by appreciating them, not by criticising them

We all are human beings and we all love to be appreciated, to listen good about ourselves.

2) Appreciate people

"Appreciation is the legal tender that all souls enjoy "

Human love to be appreciated .
No matter who much we say that it don't matter but it does.

Give genuine appreciation to people.

It can be about anything.
Beauty
Work

3) Be curious and interested about the other person

People are self-interested.
They deeply wanted to talk about their life and interest.

If you give them this by being interested in them, your connection will prosper more than ever.

4) Smile often

When you smile you just throw a ball of positivity around you.

A genuine smile often brightens someone's day and also it shows you pleasant.

Despite what life throws at your
Stay positive
Smile more

5) Adress people by their name

People love their name more than anything.

We should be aware of the magic contained in a name.

It makes a person feel unique and valuable.

6) Listen more

Speaking in overrated
Listening is underrated

Either dealing with
A woman
A client
A friend

Listening is the best thing you can do

People want to talk and let them talk.

7) Avoid Arguments

You can't win an argument

If you win the argument you will make an enemy.
Either way you lose.

The best way to win argument is not to do any.

Be kind
If you had made mistake accept it and if not try to be rational and kindly ask the person to recheck.

8) Think of mutual benefit

Never ever think of your benefit only.

Remember,
If you both win, you will get more opportunity.

Phrase your words in such a way that shows mutual benefits.

9) Dramatization

It is the key component of everyday life, employed by proposing men and advertisers alike.

"The truth has to be made vivid, interesting, dramatic . You have to use showmanship"

10) Challenge people self - worth

Nobody want to be a ill-respected .
Challenge people and let them show their full potential.

"Every successful person loves the game. The chance for self-expression. The chance to prove his or her worth, to excel or win. "

Summary :

■ Never criticize
■ Give compliment
■ Listen more
■ Be interested in other words
