@mhbx

The Republicans have weaponized “morality”.

Interesting reading the comments on this post.

I think it would take an essay if not a book to disentangle this mess.

The very short form is to look at inputs & outputs.

Meaning

what was actually done

to whom

with what actual harm

@AblueUs 2/ then look at the black box function that is how these events get processed in the public square.

There is a definite pattern.

Hyperbolically, but historically for all that, you have Trump on one side who can literally rape and molest women without consequence (Of course it
