In DMKs manifesto 2021 , NO 259, page 73

If any boy belonging to SC / ST caste marries a girl of other Hindu caste , he will get Rs 60000 and 8 grams of Gold as incentive

This is going to incite caste clashes in TN instead of healing the wounds.

There is one guy called mama valavan , he has openly said the semen of my caste boys should impregnate the wombs of women belonging to all other castes

This manifesto perfectly fits Mama Valavans agenda

This is certain recipe for cast clashes and disaster

Already caste tensions are at the brink of explosion in many parts of TN , this manifesto is going to incite caste clashes once this happens , conversion mafia will have a fertile ground to harvest souls
