**Today Panguni Uththiram■■■■**

**Panguni Uthiram and Serthi Sevai:**

**On the day of Panguni Uthiram, Ranganathar starts to Ranganayaki Thayar sannidhi to wish on her birthday and he doesn't know what is waiting for him.**

On the way he remembers that he left his ring at Uraiur and buy another ring by collecting funds from his devotees. When he reaches the Thayar sannidhi and attempts to go inside, the doors are shut and the Lord is not allowed inside.

Lord fails in repetitive attempts to enter into the sannidhi. Mean while, butter, fruits and garlands are thrown on to the lord by Thayar parivaram from other sides in anger. There will be almost 2 hours aggressive debate between both.

Seeing all this, Namazhwar requests Ranganayaki Thayar to allow her husband inside sannidhi. Listening to Namazhwar, Thayar allows Ranganathar to meet her. There after they both gives darshan together for the devotees.

Saint Ramanujar who was overwhelmed to see the couple together, wrote three gadhyas called "Gadhya Thraya" praising them. Thousands of devotees visit Sreerangam and Uraiyr for being part of these festivals■■■
