burdened with the weight of countless sins and thus unworthy of the **BESSESS** of Her Bhagavan. Through her limitless Dayaa for her children, she pleads with Her Bhagavan to overlook our sins and bless us with His **BESSESS**. 3/n

During Prapatti, she accepts the Bharam of the prapanna and acts as a **BBBBBB**, she reinforces Her Bhagavan's Bhara-sveekara sankalpam along with Her own sankalpam. 4/n

After thus blessing the **After thus blessing the After the After thus blessing the After the After thus blessing the After thus blessing the After thus blessing the After the After thus blessing the**
