Form Design: 13 Empirically Backed Best Practices by @iamalexbirkett
https://t.co/7ptPrcUQEq

The UX behind designing better forms by @charmiekapoor
https://t.co/nIV8MfUGLY

If you want to have it as a single list instead of a thread, check out Reddit's first comment:

https://t.co/PeZTG6YaP1

Let me add one more resource:

https://t.co/oFY580zWQd

Once a week, I send a newsletter covering different UI/UX topics. Everything related to user interfaces.

No ads, no spam.

Soon will start a blog there because it's not very convenient to post a lot of info in threads.
