A thread on the voting pattern in border districts adjoining Bangladesh.

These districts have experienced a significant demographic influx due to illegal Mμslim immigration from Bangladesh and high M growth rate.

Due to this illegal Mμslim immigration, Hindus have been fleeing

Bhagabangola seat is a part of Murshidabad district bordering Bangladesh.

It once had 55% Hindus & 44% Mμslims (1872 census).

Migration from Bdesh changed demographics to Mμslim majority (66% in 2011).

No Hindu won since 1971.

Today they elect a man responsible for 2007 riots

Idris Ali was arrested in 2007 Park Circus Kolkata riots. He incited riots and targeted Hindu localities when Taslima Nasreen came to Kolkata

Today he wins this seat.

Ironically, no Hindu even contested. Even BJP fielded a Mμslim ex CPM candidate

This is same district that witnessed the brutal murders of the RSS worker and his family.

The case was hurriedly declared an unrelated property feud by the ruling state administration.

The same ruling state party which withdrew riot charges against Idris Ali & gave him a ticket

Raninagar is another seat in the Murshidabad district.

No Hindu candidate ever won in Raninagar.

No Hindu candidate even contested the seat in this election.

Even after BJP fielded a Mμslim candidate, it could hardly get 10% of the votes.

Abdul Soumik Hossain of Trinamool won

Hariharpara is another constituency in Murshidabad.

This place and its district administration celebrated independence with Pakistani flags in 1947.

No Hindu has ever won this seat.

Naimot Sheikh of TMC comfortably won today

Jalangi is another seat in Murshidabad

There was a huge influx of illegal immigrants here since independence.

No Hindu has ever won this seat since 1972.

Abdur Razzak who was formerly from CPI(M) contested this ticket from TMC and won this seat today.

Domkal is another seat in the Murshidabad district.

No Hindu has ever won this seat.

Even after BJP fielded a Mμslim candidate, it could hardly get 5% of the votes.

No Hindu has contested this seat in this election and Jafikul Islam of TMC won comfortably

"Mμslim population share increased from 55% to 66% but Hindus decreased from 44% to 33%"

Murshidabad census 2011.

But there is something the district census does not tell us.

With decrease in population share, the Hindus are experiencing complete political marginalization

What comes along with illegal immigration from Bangladesh border?

Of course. What else but têrrorism. It is a package.

In Murshidabad last November, 11 Al Qaeda têrrorists were arrested by NIA.

This is the state today of "border districts"

https://t.co/qZj3Pjq8Zz

In February this year, NIA decided to press charges against 11 "residents" of Murshidabad for their alleged involvement in creation of "Al Qaeda Cell" in the district.

What else comes along with illegal immigration from Bangladesh?

Of course . The Sharia courts.

A Hindu man was beheaded by the order of a sharia court in Murshidabad because he fell in love with and married a Muslim girl.

The Hindu man fell in love with a Mµslim girl and married her.

They also had a child.

He concealed his identity as "Munnawar Shaikh".

But he was summoned to Sharia court. He was questioned and his identity was discovered. He was ordered to be beheaded.

Malda is another district bordering Bangladesh.

This district witnessed huge illegal immigration from Bangladesh.

Result?

The Mµslim population increased from 36% in 1961 to 51% in 2011.

Hindu population share decreased from 63% to 48%

Malda is now a Mµslim majority district

The pattern in Malda is the same.

Sujapur is a seat in Malda. There has been illegal immigration from Bangladesh & demographic change

No Hindu won this seat since 1962.

No Hindu contested this time.

Even as BJP fielded a Mμslim candidate, they could hardly poll 6% of votes.

Harischandrapur is another seat in Malda district.

There has been a migration of Hindus out of this place. The Hindu population here has decreased to 31% now.

Again, Tajmul Hossain of TMC won this seat.

Even BJP fielded M candidate who eventually lost.

Malatipur in Malda is another seat which has witnessed huge illegal immigration.

The Mμslim population in this assembly division has increased to 72%

Abdur Rahim Boxi of TMC, who openly declared that his party flood West Bengal with Rohingyas, won this seat.

An observation in Malatipur.

Owaisi's party MIM contested this seat. Some people on SM claimed that this was "secret chess masterstroke" by BJP to divide Mμslim votes.

But Owaisi's party was not able to win even 1% of votes in a Mμslim majority seat.

The M voter is not a fool
