Kamal's party website https://t.co/xbKVvRT1Qp is registered in Cayman Island. Christian Media Centre, which handle media for South Indian Churches has registered address 47, Eldams Road. This is Kamal's Eldam's Road Property. #KamalPartyLaunch

@mohanAdmk24 @Janaksr05 @MKtalkss @Sathish_ADMK @Suresadmk @praveenaiadmk @abiadmk @loganathan_20 @sdineshadmk @Balagutz In 2016-17, Christian Media Centre-Chennai rcvd Rs. 1.67 Crore via #FCRA. #KamalPartyLaunch

That company hasnt filed tax returns for the past 2 years. check the directors in that company. Kamal & Gautami https://t.co/PLXIpTZCYt

Maiyam Cayman Island link, Cayman Island is a Tax Haven, How did Kamal who is fighting Corruption, get people in Tax Haven to register his domain.? #KamalPartyLaunch

Also, @ikamalhaasan says he worked for Christian Media center to spread the word of Christ #KamalPartyLaunch

This is the MCA data on this company. they are in default in filing ROC returns also for 2017. #KamalPartyLaunch

Hence proved @ikamalhaasan is a new face of Christian mafia in TamilNadu, funded by the churches. Hope his funds should be investigated. #KamalPartyLaunch

To some senseless morons, this not just a spell check between "Maiam" and "Maiyam". Read the complete thread, the issue is bit serious. The company owned by Kamal and gawthami failed to file tax and he s receving funds from Christian church center. #KamalPartyLaunch

Some guys quoting the website name as fake. FYI, both sites r owned by saint KamalHassan. Will reveal more details tomorrow. Good night for now. #KamalPartyLaunch

Dear morons, if the above said news is fake then can anyone answer the relation between @ikamalhaasan and https://t.co/xbKVvRT1Qp private limited. I can lie but MCA data can't & won't. Will the universal saint KH open his mouth on

the Christian church center?

Lol. @sumanthraman acting as a spokesperson for the saint KH. Valid point but @ikamalhaasan does have a company registered in Cayman islands which shows him and gauthami as owners. Also, his party name is derived from same. So plz throw some facts.

Morons r trying to divert the serious issue by the domain check. Issue is, KH owns a private limited company called "https://t.co/hR3ZMJIMbl Private Limited" with CIN U22100TN2010PTC074450 which receives foreign funds. Any one dares to answer this? Will @ikamalhaasan opens out?

More than 5 lakh impressions, still @ikamalhaasan r @maiamofficial has not opened about the https://t.co/OxUkEpuZ3W pvt Ltd and about the foreign funds from Christian church center.
So they accept this? #KamalPartyLaunch is a well scripted drama.

Some morons shouting this as fake info, even after quoting the facts with proofs. What u think of this expose? @ikamalhaasan #KamalPartyLaunch

#SaintKamalHassan American evangelical society has been engaging in promotion of Christianity in TamilNadu aggressively. While v have nothing to comment in this regard the fact remains that it is functioning from kamal haasan's residence at teynampet as seen from the documents.

American society is going to extend support to KH in a big way. His brother charu hasan has embraced Christianity long back and shruti haasan is marrying englishman. #SaintKamalHassan

Harward university chose to honour kamal for two consecutive years is another proof. Because harward has not invited any other indian actor. It has not even honoured Tom honks ,George clooney ,densel Washington. #SaintKamalHassan #KamalPartyLaunch

Kamal has right to join any religion. But he should not give lectures on secularism. So do u really need to support psuedo secularist? #SaintKamalHassan #KamalPartyLaunch

Missionary Dhoni, the Christian group in its news letter September 2017 says, TN government will be dissolved and @ikamalhaasan will be the CM of TN. So the saint started his part in 2018. #KamalPartyLaunch
