Judith Black was arrested at The Villages “The Friendliest Town in the USA” (FL), after she threw a Whopper at the head of a BK cashier because the tomato was too thick. She screamed the N-word and called her a “f—king black

And now she is famous. Matt Gaetz and Marge Greene are holding a rally at the Villages this Friday. Probably a good chance Judith will be one of the guest speakers now. Here is Judith Black’s police report.

On April 30th, 2021, at approximately 1812 hours, K9 Officer Parrish and I were dispatched to a disturbance at 5845 Seven Mile Drive (Burger King). Prior to our arrival, we were advised by Sumter County Dispatch that the suspect had hit a worker at the Burger King with a burger. They also stated that the suspect had just left in a white Ram pickup truck with the license plate number LC9IW, which was obtained via a video from another worker at the Burger King.

Upon our arrival, I made contact with the victim who stated that an older white female, later identified as the defendant, Judith Ann Black; was not satisfied with a Whopper sandwich she had ordered and was yelling at her at the ordering counter. She stated that she informed Mrs. Black that she could help her if she would stop yelling and turned around. As the victim turned around, Mrs. Black proceeded to throw the Whopper at her, striking her in the back, just below her neck against her will. Mrs. Black then walked out to her vehicle, followed by her husband, and left. The victim stated that Mrs. Black said, "Shut up you black bitch." The victim stated that when her and her coworker walked outside she heard Mrs. Black call her a "nigger."

Multiple witnesses confirmed the victim's statements, including a manager of Burger King, a worker at Burger King, and an independent customer of Burger King. The manager stated that Mrs. Black called the victim a "black nigger" and said, "F-U (fuck you)" before storming out of the restaurant. The worker stated that Mrs. Black said, "Fuck you black niggers" and before leaving, stated "black niggers" again. All three witnesses stated that Mrs. Black threw a Whopper at the victim when she turned around, striking her in the back.

Upon review of the video footage from the Burger King security cameras, it was confirmed that at 18:04:57 hours Mrs. Black struck the victim with the Whopper in the back.

Officer Parrish and I were able to identify the suspect by running the license plate from the truck Mrs. Black left in, which returned to her husband. Upon running the husband in TLO's database, we discovered his wife, named Judith Black, as well as her driver's license number. Upon running Mrs. Black's in our CAD system, we located her driver's license picture and were able to positively identify
