it's just a mask bro i mean its only for 12 hours a day bro I mean its only covering your breathing, why do u care lol bro sure random weirdos will harass you and act like you're a murderer for breathing outside bro who cares lol get over it

lol do u actually have a problem with people crossing the street to avoid you haha gay man it's normal for people to pull their kids out of your path it's cool when guys get physical with you in public and no one stops them lol it's just a mask

haha look at this guy over here even asking the question of when he can take his mask off bro were going to wear these forever even after we're vaccinated and we're going to use our fear as a weapon to force you to act like us too lol what's ur problem why do you even care

haha seriously bro? you're suffering mentally because you can't see the single most salient feature of every human beings body and everything feels alienating and distant and meaningless haha cringe dude lmao you actually care about the relentless mask propaganda we put up?

hahaha so stupid this guy cares that we used all of social media and perverted science and spread falsehoods to turn rational people into pariah haha dude omg why do you even care

lol dude were cool because we will do any horrifying irrational thing just because someone on TV said to and I can't believe how cringe you're being right now by caring about stuff big lol bro massive lmao

hahaha we're gonna do it to your kids too and damage their development and drive them to suicide and misery lol its funny how mad you're getting so stupid were going to forcibly treat you and them with gene therapies or force you out of society too LOL

it's just a mask, who cares

lol
