STEP BY STEP ■

A thread.

Most of you

Or haven't started your agency

Today I'll teach you how to go from 0 to \$10K a month

IN 10 EASY STEPS

1 - learn a valuable skill like SEO, FB Ads, hiring, employee retention etc

2 - craft your offer (retainer or performance-based), buy domain, build simple landing page with video sales letter... make sure you're making at least \$2K/month per client

3 - cold outreach, get 2 clients (take [@blackhatwizardd's](#) course & my God-Level First Lines courses to learn how)

4 - work for free until u get incredible results

5 - write case study on results

6 - get video testimonials & put on your site

7 - start charging first 2 clients

8 - hire first employee: Admin Assistant off <https://t.co/WiK54q8EPg> for \$7/hr

9 - hire cold outreach agency: get sales appointments for \$200-300 a pop, close 30-40%

10 - put case studies in cold outreach scripts. Agency u hired will do more cold outreach, get you to 5 clients
