Twitter Thread by Papers with Code

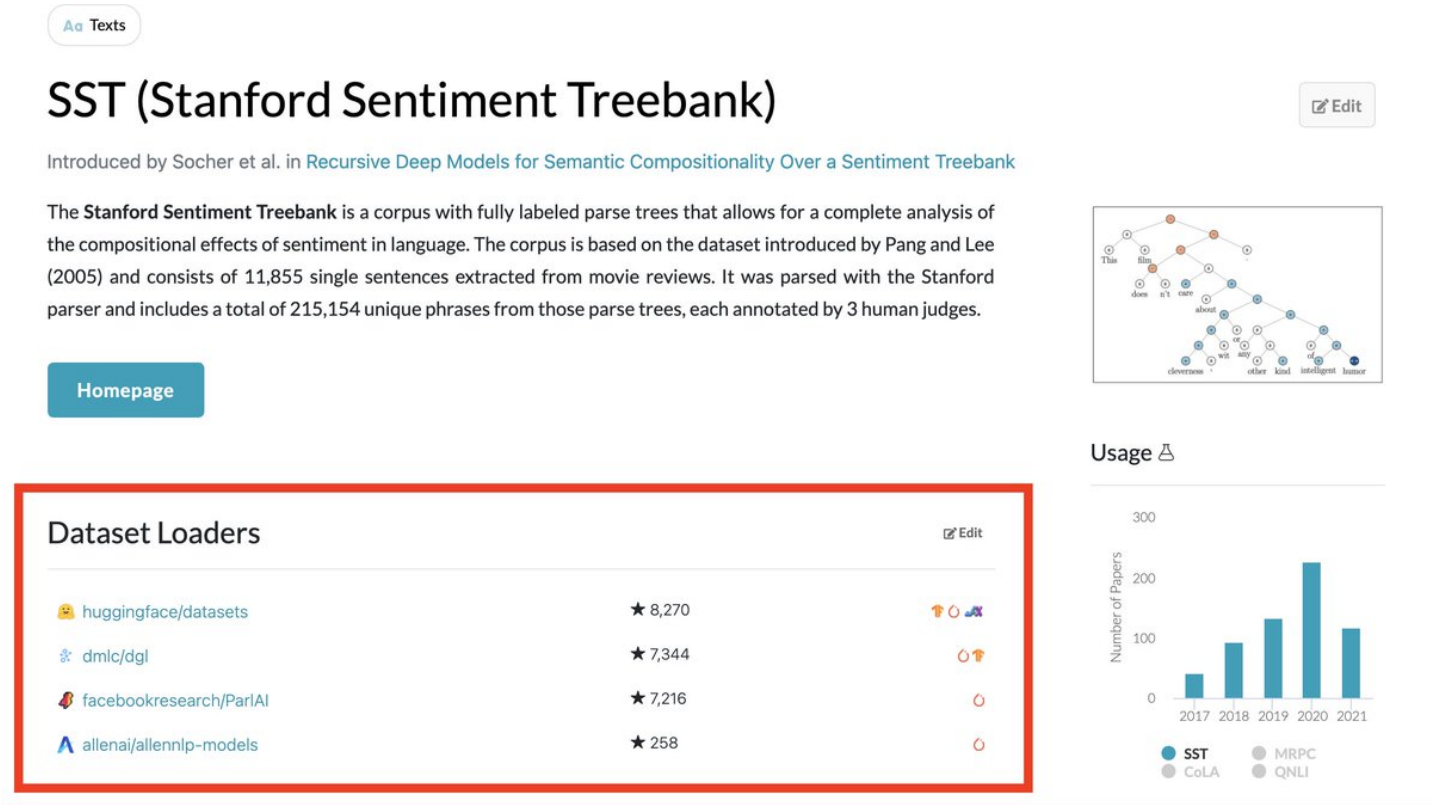

Papers with Code
@paperswithcode

■ New Feature: Dataset Loaders! ■

Easily find code to load datasets in your preferred framework!

Supporting: @huggingface datasets, TensorFlow datasets, OpenMMLab, AllenNLP, and many more libraries!

Example: https://t.co/23iztGxyBV

Thanks to the awesome @huggingface team for this collaboration ■!

https://t.co/AeIbczaSTR

Thanks to @paperswithcode, you can now find the leaderboard associated with most of the 900+ datasets on the Hugging Face Hub (https://t.co/d8vPIY4HUm)!

This is one step towards helping the community find the best models for their applications - we hope you find it useful! pic.twitter.com/wRHPiNkh4N
