Clarence Thomas was credibly accused by Anita Hill of sexual harassment. And there was a second alleged victim, Sukari Hardnett, who was not allowed to testify. Clarence is no hero. His victims are no bullies. Why do so many Republicans lift up men who sexually harass women??

"I'd rather die than withdraw. If they're going to kill me, they're going to kill me."

One of the most important and iconic moments of Justice Thomas's confirmation. It was a signal to the world that you should never let bullies win.

And he never has. [#CTLive](https://pic.twitter.com/FfISdoos4g) pic.twitter.com/FfISdoos4g

I believed Anita Hill then, and I believe her now. And I believe Sukari Hardnett, too. <https://t.co/hvUon9IrLz>

I believe Moira Smith. <https://t.co/xz4FVsry2p>

And Christine Blasey Ford ... <https://t.co/So2dxr8WzJ>

And now, two out of the six Republicans on the Supreme Court -- that's 1/3 -- have been credibly accused of sexual misconduct. Not to mention the venal former president/GOP cult leader who faces some 2-dozen accusations. Are these your kings, Republicans? <https://t.co/MU4PkrHuya>

Also why aren't the Q-anon cult concerned about the (alleged) teen sexual exploitation of Trump's little buddy and apparently, Republicans' future presidential nominee Matt Gaetz? What gives?? Isn't your whole shtick about pedos running the government??? <https://t.co/wfGIGouego>

And what about this??? <https://t.co/b3T0KLJMup>

It's such a strange, strange political party...
