The advertisement features a background with a keyboard on the left and a smartphone displaying a trading chart on the right. The text is centered and includes the Spider Academy logo at the top. Below the logo, the phrase 'LEARN FROM HOME' is written in large, yellow, block letters. Underneath, it says 'FREE WEBINAR' in a smaller font. The main title 'BANK NIFTY OPTIONS SCALPING' is in a large, bold, black font. The date and time '17th APRIL' 20' and '4:30 PM - 5:30 PM' are displayed in a large, bold, black font. Below this, it says 'Learn the art of Options Scalping from the F&O Maestro' in a smaller font, followed by 'Mr. ASIT BARAN PATI' in a large, bold, black font. A circular portrait of Mr. Asit Baran Pati is on the left side. At the bottom, there are two hashtags: '#StayHome' and '#FightAgainstCorona'. The top right corner has the hashtag '#LearnFromHome'.

WHAT IS TRADERS CARNIVAL?

Traders Carnival is several things. An Event. A Meeting Ground. A 3 day Residential Conference. A consolidated Platform to meet Traders, Mentors and a place to make new Trading friends for life. All rolled into one.

Yes, here, Professional Traders and casual Traders get together in a residential format over 3 days each year to learn, discuss and brainstorm ways to navigate the Markets successfully to improve their skills and discover their edge in the journey to consistently profitable trading.

Started in 2012 at Bangalore, 13 exciting Editions of the Carnival have been held in India and abroad.

Why should you attend Traders Carnival? Or whats in it for you?

At every Traders Carnival Conference, you enjoy the following benefits: Learn effective strategies for trading Stocks, Futures, Options, Commodities and Currencies Get the hang of Multiple Options based strategies- buying, selling, hedging and "delta neutral" strategies This year, for the first time, we showcase a complete segment on Cryptocurrencies.

Yes, Bitcoin, Ethereum and more. Become well versed with the trading secrets of some of India's Best Traders Internalise the failure of some of India's Best Traders and how they overcame them. Understand strategies in terms of Position Sizing, Risk Management, Trading Psychology – And all the Soft Skills that are so essential to continued Trading Success

DEEP DIVE INTO HOW SUCCESSFUL TRADERS TRADE EXPIRY DAYS, LIVE!

And the Carnival gets more interesting. As promised, here is the new Speaker Announcement - Asit Baran Pati, Delhi. Professional Trader - He is an aggressive LLT options buyer. Read on <https://t.co/r3PZW9Xa2a>

<https://t.co/MhViV0fDmy>

Did a session with finbridge, and highlight of the session was to share the screen with Mr. Sukhani :)

Discretionary Trading v/s Systematic Trading, Panel Discussion

- What type of trading is better Discretionary or Nondiscretionary?
- Can long term investing be done in a Nondiscretionary manner or Discretionary is the only way?
- Fundamental Analysis can only be done in a Discretionary fashion?
- Do Non-Discretionary Systems really remove emotion?
- Do you think Discretionary Traders need higher psychological edge and the results may be Multi-fold?
