@BoInTheWorld

Along with that damn peanut butter shot I also got smallpox vaccine & 3 rounds of anthrax, the 3rd while deployed in IRAQ. The covid vaccine was a walk in the damn park in comparison &
I’m still here, I’m still amazing, & I’m STILL MAGICAL AF. ■ ■■

> Members of the military have already long been required to get vaccinations. A lot of vaccinations.
>
> Ask any veteran about the \u201cpeanut butter shot\u201d for a delightful story.
>
> COVID is just another necessary medical protocol for service members. Stop pretending otherwise.
>
