**THINK! ■■**

**India once led the world in science maths & GDP.**

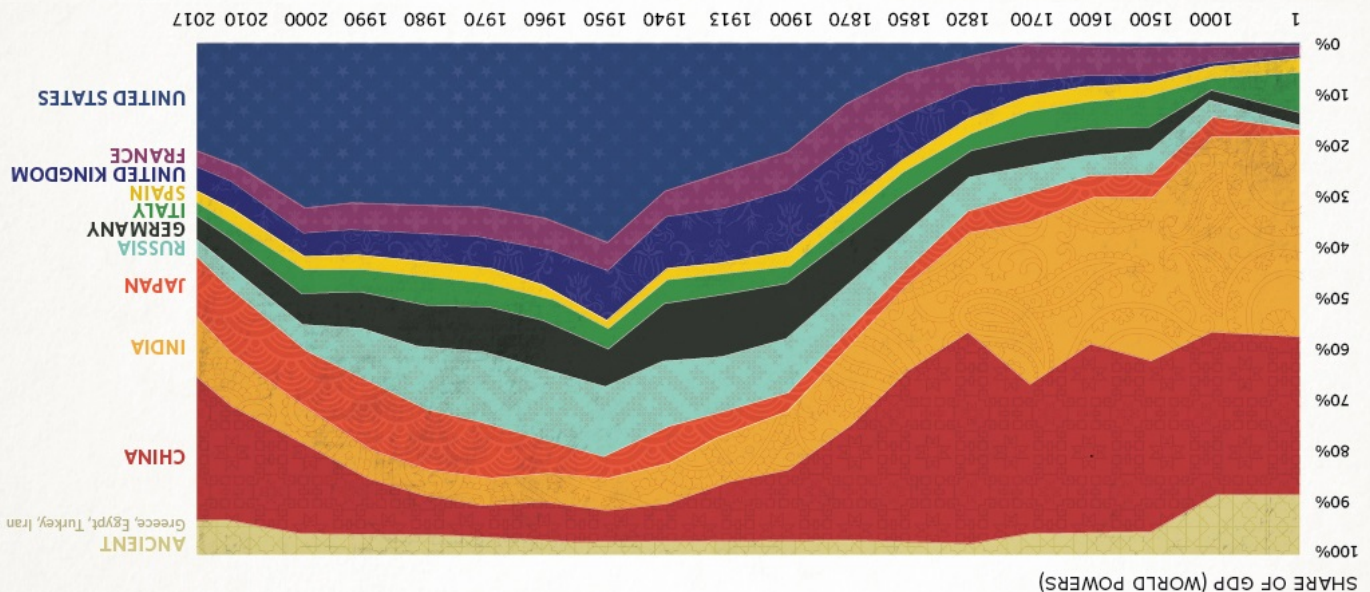

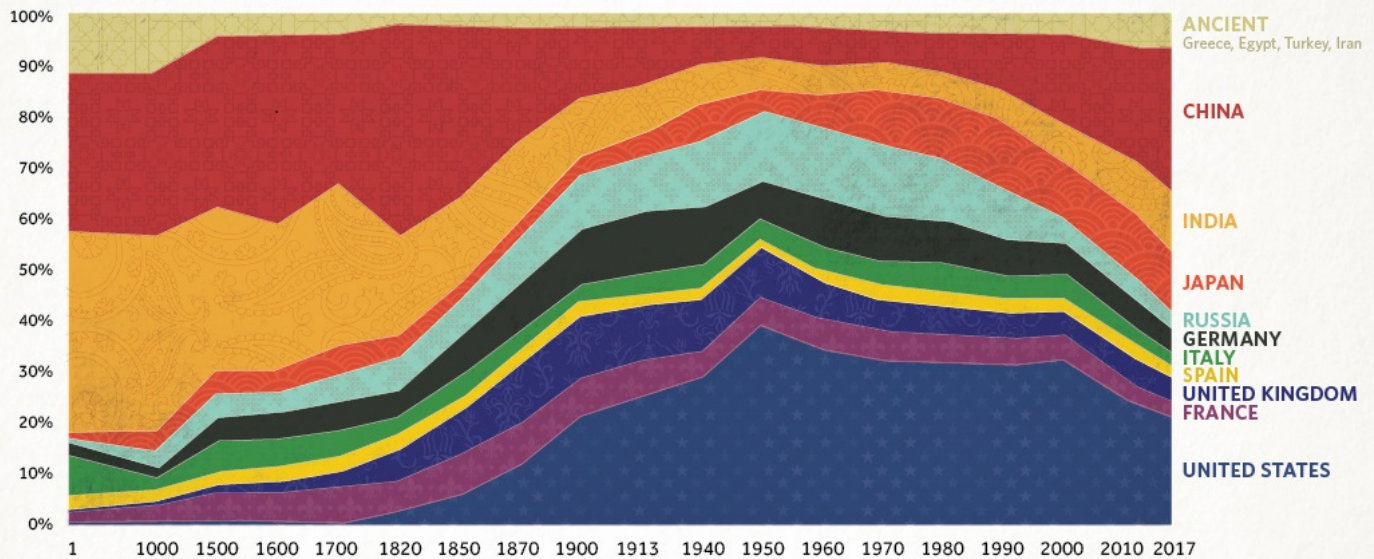

**To lead the world again, India must revert to its SUPERIOR #BharatiyaMaths as developed by Aryabhata & Brahmagupta.**

**Then and only then can India's long term decline be reversed as the BEST SCIENCE needs the BEST MATHS!**

## 2,000 YEARS OF ECONOMIC HISTORY IN ONE CHART

All major powers compared by GDP from the year 1 AD

SHARE OF GDP (WORLD POWERS)

Please sign the petition for #BharatiyaMaths so the original 18 zero-based Maths Sutras of Brahmagupta get taught in Indian schools.

Schools under @DrRPNishank currently teach 'Macaulay Maths' built on Greek foundations missing zero and one as numbers!

Sadly since 1947 India still teaches #MacaulayMaths in schools rather than Bharat's better #BharatiyaMaths

That's why India's students ranked 2nd last in maths out of 74 participants while China was #1

Please sign the petition to teach Bharatiya Maths
