Shut up, your ancestors were destroying Bamiyan Buddha for centuries.

- Ghazwan Khan in 12th century
- Babur in 16th century
- Aurangzeb in 17th century
- Nadir shah in 18th Century
- Abdur Rahman in 19th Century
- Completely destroyed by Mullah Omar in 2001

Afghanistan\u2019s Bamiyan Buddha statues were destroyed by Taliban terrorists in 2001.

India\u2019s Babri Masjid was demolished by Hindutva goons in 1992.

Babri happened almost a decade before Bamiyan.

Who inspired whom?

Never got the logic behind \u201cHindu Taliban\u201d.

They drilled holes into the statues to plant the explosives.

When the statues were finally turned into ruins, the Taliban terrorists had their celebrations

They fired weapons in the air and brought “Nine Cows” slaughtered for celebration. [@khanumarfa](#) Islamist goons enjoyed it
