Raja Rajendra Chola (1012-1044)

A great ruler of our history who succumbed to the conspiracies of leftist historians. Raja Rajendra Chola was the greatest ruler of Chola Dynasty, he expanded the Chola Empire by his victories & made it the most powerful empire of South■■

Rajendra Chola was the only king who not only flagged his conquests to other places but also spread the wonderful system of architecture and administration to the places where he ruled.
