Arjun and Duryodhan both visited Shri Krishna before the Kurukshetra Yudh began.

The Adharm's leader, Duryodhan, requested Narayani Sena, or material wealth.

DHARMA is led by Arjun. prayed for the permission and help of Shri Krishna personally, knowing that he would not choose a weapon.

REMEMBER

It's just a money-making company if someone asks for your money or a donation to fight for Dharma. NEVER PAY ANYTHING.

Dharm yudh does not require money, but rather the collective WILL of people.

Never give your money to anyone claiming to be fighting for Dharma.

Jai Shri Krishna
