2/2 Other than being associated with Bhagwan #Ram, word RAM is also associated with our 3rd chakra activation. This chakra is about POWER, its about fire, also associated with sun. When you chant RAM you prepare urself to become POWERFUL. Now isnt RAM CHANDRA called SURYA vanshi?

There you go! I am sure we have many accomplished Chakra healers here who will be able to add to what I have posted. Pls chip in! ■ But dont forget #SANATANA teaches us to EMPOWER ourself. JAI SHRI RAM! ■<https://t.co/t1BgkhcNjF>

Those who missed it— What is RAM? ■ Here's the complete article>>> <https://t.co/c4sQHpmwyb>

manipura

Ram is the bija (seed sound) mantra of **the manipura (navel or solar plexus) chakra** — the source of personal power.
