### **Proud #Shudras**

**Inscription from 1345 CE of Shudra King Vema Reddy who takes pride in being a Shudra and having been born out of the feet of Vishnu.**

**He even says he restored the agraharas of the Brahmanas after they had been taken away by the Muslim kings.**

King Singa Nayaka takes pride in saying that the Shudras were born from the feet of Ishvara and their duty was to serve the other 3 varnas.

He says that Shudras were born along with the Ganga which springs from Vishnu's feet.

They are ever attached to their duties and pure.
