A graduate of Cedarville University and Capital Bible Seminary, Pastor Nate has a BA and an M.Div.

He has been the pastor of FBCM since April 1997. His first ministry out of seminary was a hospital chaplaincy for thirteen years.

Pastor Nate's passion is to preach the Word. He has been preaching for more than thirty-seven years, and it is his calling from God. From a human standpoint, the people who have influenced him the most were his childhood pastor, Merle Booth, then Jack Keep and Jim Holmes. In college Robert Gromacki gave him a love for Greek, and James Grier a passion for thoughtful Biblical theology. In seminary Homer Heater imparted a deep appreciation for Hebrew, and Richard Taylor increased Nate's love of Greek. Over many years John MacArthur, John Piper, Mark Dever, Albert Mohler, and RC Sproul have

What Does Bless India Do

Doctrinal Statement

Board of Directors

- Pastor Nate

- Paul

- Jessica

- Same

Financial Accountability

Pastor Nate, *Founding Member*

Pastor Nate met Pastor Mekala on his first trip to the U.S. Pastor Mekala, not knowing anyone in America, needed a place to stay. The Lord brought Pastor Nate along through a series of miracles to provide for him in his time of need. During his 2000 trip to India, Pastor Nate was asked to name a baby, after which the child's spiritually-oppressed Hindu mother was saved. When he visited in 2006, he was moved to see that both mother and daughter were glowing with the Spirit of Christ. "Take me home, Lord," Nate thought. "I've done enough." [Read more...](#)

Paul, Vice President

Paul first heard about the work in India from friend and mentor Michael Denton, who showed him video footage from his 2002 trip to India. Paul says, "When I watched the video I came away with a sense of awe and fear- this was the real deal. God was real and at work though broken and completely committed people." He would later go to India four times. Paul has been very valuable in organizing the board meetings as well as coordinating the legal aspects of the ministry since its inception. [Read more...](#)
