What's happening in Hyderabad?

Muslims formed Anti Hindu Bike Squads SHARIA POLICE
Their main duty is to keep a watch on muslim girls roaming with hindu boys in Hyderabad.

They will stop hindu boys with muslim girls. Beat the hindu boy and inform to the muslim girls parents.

Latest video of these Sharia Police Squads

Muslim girl and hindu boy were stopped by these SQUAD and forcing the girl to call her parents.

Some one from the crowd slaps hindu boy VIVEK as soon as he replied that his name is VIVEK.

"Sharia Police" in Hyderabad (muslim dominated area of Telangana, India), stopped this "Hindu" guy as his pillion rider was a "Muslim" girl. It's not too far these #ShariaPolice will start controlling IT Business Parks, cab services, carpooling

A hindu coworker of a muslim girl stopped in middle of the road by this Sharia Police.

If you see the pattern
Girl was forced to call her parents ,
boy was asked his name to find out his identity and was beaten hard by the MOB..

So this hindu boy didn't stopped his bike you can see the SHARIA POLICE
chasing him all the way

Same pattern asking his name and
Forcing the girl to call her parents

You can see how prevalent this Sharia police in Hyderabad surrounding areas

This Muslim Squad calls that lady's parents and asking her why they sent their girl with NON-MUSLIM bottu vattu guys

The pattern of Sharia police is to take the video of these couples and upload in youtube and publicly shame in their online news channels
