Stand With Pakistani Hindu Women (1/n)

Thread on treatment of Hindus in Pakistan

Pakistani Hindus are a minoritized group of people who

Can't be prime minister/president

Hindu MINOR GIRLS are Forcefully converted into Islam (over 1000 yearly REPORTED cases) & married to their rapist

Treated like 2nd class citizens

Face systemic oppression & discrimination in job market

Over 5,000 Pakistani Hindus escape to India with "forced conversions" being their TOP reason. (3/n)

Due to Pakistan's ethnic cleansing of Hindus, their population has shrunk from 20% in 1947 (after partition) to 2.14%. (4/n)

Pakistani Hindus started a movement to pass a bill that would protect ALL Pakistani MINORITIES from forced conversions using #PassBillForHinduGirls (5/n)

Pakistani Hindus have also been protesting their government's treatment of minorities as second class citizens. (6/n)

But, we need your help! Please help amplify this post so that Pakistan's minorities' voices reach international media and pressure lawmakers to condemn Pakistan's inhumane treatment of Hindu girls. (7/n)
